Dear Mr. Chin-Shue,

Further to yesterday's facsimile, we have given some additional consideration to the proposed claims for discussion. Enclosed are REVISED DRAFT CLAIMS FOR INTERVIEW. It would be appreciated if you would disregard the draft claims faxed to you yesterday and consider the enclosed revised draft claims 21 and 25 for discussion purposes at the interview scheduled for July 6, 2000, at 10:30 A.M., at your office.

Please let me know if you have any questions.

Sincerely,

  
James C. Simmons
